

Through the Norwood Airport Commission, **aircraft tie-downs are now available for lease on our west apron.**

Each tie-down is anchored at three points on a well maintained asphalt apron, which is conveniently located near the airport's north/south taxi-lane.

The tie-down rate is \$265 per calendar quarter for a *pushback*, \$305 per calendar quarter for a *drive-thru*.

Interested aircraft owners can contact Airport Manager, Russ Maguire, by phone (781-255-5615) or e-mail (rmaguire@norwoodma.gov).
