

Great job recycling textiles Norwood!

Each year, Norwood residents recycle over 80,000 pounds of textiles by using 10 convenient drop off boxes provided by Bay State Textiles. Not only does textile recycling reduce the town's collection and disposal costs, refunds are provided back to the Norwood Public Schools. Since October of 2014, 270,000 pounds of textiles have been successfully recycled and, in return, the schools have received over \$13,000 in refunds!

The drop off boxes will take "the good, the bad, and the ugly" of textiles – just make sure they are clean and dry. To learn more about the program visit www.baystatetextiles.com
